Sponsor a Block - Help Build a Home in Honduras!

We have a team going to Honduras in March to build a house for a family in need. Even if you can't join us, you can still make a difference! For \$35, you can sponsor a block for a home without ever leaving your own home. The cost of building a house is \$3,500. Your sponsorship of a block will be a crucial contribution. Once the home is completed, we'll share pictures so you can see the difference your contribution has made! Just write "Sponsor a Block" on your check or donate at signup.gracemh.com. We currently have 55 of 100 blocks sponsored!
